My Friend Hitler

Yukio Mishima

My Friend Hitler Yukio Mishima

Though best known for his novels, Yukio Mishima published more than sixty plays, almost all of which were produced during his lifetime. Among them are kabuki plays and others inspired by No dramas?two types used in classical Japanese theater. Of play-writing Mishima once observed, "I started writing dramas just as water flows toward a lower place. In me, the topography of dramas seems to be situated far below that of novels. It seems to be in a place which is more instinctive, closer to child's play." For English readers, these plays have been one of Japan's best-kept secrets?until now.

In this anthology, Hiroaki Sato translates the brilliance and richness of Yukio Mishima's writing into the English language. He has selected five major plays and three essays on dramaturgy, providing informative introductions to guide the reader. Sato's translations offer a broad historical and personal context in which those new to Mishima's work can place his writing. For those more familiar with Mishima, these translations offer another medium in which one can access his ingenious work.

From reader reviews:

Rose Villegas:

This My Friend Hitler book is not ordinary book, you have after that it the world is in your hands. The benefit you have by reading this book is actually information inside this publication incredible fresh, you will get facts which is getting deeper an individual read a lot of information you will get. That My Friend Hitler without we realize teach the one who studying it become critical in thinking and analyzing. Don't be worry My Friend Hitler can bring whenever you are and not make your case space or bookshelves' turn into full because you can have it with your lovely laptop even cell phone. This My Friend Hitler having good arrangement in word along with layout, so you will not sense uninterested in reading.

Erwin Fast:

Reading a e-book tends to be new life style within this era globalization. With reading through you can get a lot of information that will give you benefit in your life. Using book everyone in this world may share their idea. Books can also inspire a lot of people. A lot of author can inspire their particular reader with their story or maybe their experience. Not only the storyplot that share in the ebooks. But also they write about the ability about something that you need example. How to get the good score toefl, or how to teach your young ones, there are many kinds of book that you can get now. The authors these days always try to improve their expertise in writing, they also doing some study before they write to their book. One of them is this My Friend Hitler.

Cindy Johnson:

Your reading sixth sense will not betray a person, why because this My Friend Hitler reserve written by well-known writer who knows well how to make book which can be understand by anyone who read the book. Written throughout good manner for you, still dripping wet every ideas and creating skill only for eliminate your current hunger then you still doubt My Friend Hitler as good book but not only by the cover but also by content. This is one book that can break don't determine book by its include, so do you still needing a different sixth sense to pick this!? Oh come on your studying sixth sense already said so why you have to listening to an additional sixth sense.

Robin Adams:

As a college student exactly feel bored to help reading. If their teacher expected them to go to the library as well as to make summary for some book, they are complained. Just tiny students that has reading's internal or real their interest. They just do what the professor want, like asked to the library. They go to at this time there but nothing reading very seriously. Any students feel that looking at is not important, boring and can't see colorful photos on there. Yeah, it is being complicated. Book is very important for you. As we know that on this time, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. So , this My Friend Hitler can make you feel more interested to read.
